Property is assessed at a percentage of Fair Market Value or Use Value. Fair Market Value is the price for property which would be agreed upon between a willing and informed buyer and a willing and informed seller under usual and ordinary circumstances; it shall be the highest price the property would bring on the open market if exposed for sale for a reasonable time, with the purchaser having full knowledge of all uses and purposes for which the property is best adapted and for which it can be legally used. Use Value rates are determined by the Louisiana Tax Commission.

In your opinion, what is the approximate total market value of this property (Land and Improvements)? \_\_\_\_\_
