CANCELED

**Unelected boards for each fire district will
vote to determine whether or not to roll up
their millages and increase your taxes.**

All districts intending to roll up are required by law to hold a public hearing at the St. Tammany Parish Council Chambers building at **21490 Koop Drive, in Mandeville.**

As a taxpayer, the hearings are your opportunity to participate in the process and speak for or against the tax increases.

2024 is a reassessment year. Even without rolling up, these fire districts will see a total increase in revenue of nearly \$7 million because of growth and higher total assessed values.

If these Fire Districts roll up as intended, the total amount of yearly revenue for all St. Tammany Parish Fire Districts collectively will be approximately **\$83.5 million gross**, including over \$4.6 million from rolling up and increasing taxes.

All hearings are held at Koop Drive. To confirm dates and times or to inquire about further information, please contact the individual Fire District. No other unelected boards are considering a roll up at this time.

**The Fire District 1 parcel fee of \$39 per parcel is additional and not included in the revenue listed above.*

**Fire Districts do not receive sales tax revenue.*
